Subject:- Occupation by the Military of the lands belonging to St. Michael's Convent, - Binmangala village.

In forwarding herewith a copy of Civil Officer's report No. M.B.1.1286/42-43 dated 26th April 1943 on the above subject, I have the honour to state that an extent of 6 acres 39 guntas or 7 acres (in round figures) has been occupied by the Military out of survey Nos. 2 and 3 of Binmangala village belonging to St. Michael's Convent. The area in question has been inspected by the Civil Officer who has estimated the compensation for the loss of crops at Rs.30/- per acre or Rs.210/- in all, which will have to be paid from the current year. I enclose herewith for favour of information of Government a copy of my letter addressed to the Military Head Quarters in the matter. I request you - kindly to obtain sanction of Government for the occupation of the lands by the Military and also to the payment of compensation for the loss of crops at the rate proposed by the Civil Officer.

I have the honour to be,

D.O. letter No. M.B.1.1286/42-43 dated 26th April 1943 from the Civil Officer and Sub Division Officer, Bangalore, to the Revenue Commissioner in Mysore and Civil Representative, Bangalore.

With reference to your letter C.L.O.190/42-43 dated 8-2-1943, I beg to state that I inspected the lands belonging to St.Michael's Convent, Binmangala village. It is alleged by the Counsel for the Lady Superior that in survey Nos. 2 and 3 about 25 acres have been since occupied in addition to 7 acres 20 guntas previously taken up by the Military. This statement cannot be true as disclosed from pahani accounts. In survey No. 2, out of an extent of 20 acres 14 guntas in the possession of the convent, an extent of 17 acres 12 guntas has been shown as having been under cultivation and hence the balance of 3 acres 2 guntas alone could be said to have been occupied by the Military. Similarly in the case of survey No. 3 as against 20 acres 34 guntas in the possession of the convent, an extent of 7 acres 20 guntas has already been taken over by the Military (and the convent has been receiving compensation) an an extent of 3 acres is covered by the buildings and an area of 6 acres 17 guntas is shown to be under cultivation in the pahani accounts. Hence the balance of 3 acres 37 guntas alone could be said to have been since occupied by the Military. In all. the convent will have to be compensated for loss of crops over an area of 3 acres 2 guntas plus 3 acres 37 guntas or 7 acres in - round figures at Rs.30/- per acre. A sum of Rs.210/- will have to be awarded as compensation in this case. This is payable from 1942-43.
